**GUIDANCE NOTES FOR PARENTS WHO ARE APPLYING FOR A NURSERY PLACE IN A PRIMARY SCHOOL FOR
2016/17**

If you want a nursery place for your child, you need to complete this form and send to your preferred school. Remember that putting your child's name on the application list does not give you priority over other children who might apply later.

Children aged 3 and 4 can go to nursery classes attached to primary or nursery school. The age your child can go depends on the number of places available. Some nursery places are for half a day (morning or afternoon session), others for the whole day.

**Admissions criteria to nursery schools and nursery classes in community primary schools.
(There are separate criteria for the Faith Schools).**

- 1 Children in public care or subject to a Child Protection Plan who live within the current recruitment area for a place at that school
- 2 *Children with an educational, medical or social need
- 3 **Children whose parents can take up or stay in a teaching post in one of Hackney's schools
- 4 Children with brothers and sisters already at the school at the time of the proposed admission (includes foster and step brothers and sisters living as a family unity at the same address)
- 5 ***Children living nearest the school as measured in a straight line from their home address or their childminder's address using a map or computerised distance calculation system.

If we need a tie-breaker decision for priorities 1, 2, 3 and 4 in this list, we will use distance as measured in item 5 above.

* This applies to the nearest school unless your child's need justifies a place at a particular school. Headteachers can take into account educational or medical needs such as developmental, speech and language delay or physical needs. The school will need to see evidence of this from a doctor, hospital consultant, health visitor or education and child professional.

** If you are a Hackney school teacher, you can apply for a nursery place for your child under this scheme – but only for one child in each class. You must apply to the primary school where you teach, or one that is within one mile of your place of work.

*** If your child is cared for by a childminder during the week, we can use their address to work out the distance to school. The school will ask to see proof of this arrangement. When we work out distances, we use geographical information provided by the local council or other source.

Completing the application form - Parent's details

The names of all responsible adults/carers are recorded on the form for school to approach. Please note that when parents live separately, the application must be based on one address where the child normally lives.

Documents to be accompanied with the completed application form

- Enclosed an original utility bill received within the last two months as proof of address
- Enclosed proof of Date of Birth
- Enclosed supporting evidence, if applicable (e.g. a letter from the family doctor/hospital consultant in support of any medical or social priority request)

The school can withdraw an offer of a place if it has been proven that false or misleading information has been provided.

Hackney Learning Trust – Application for Admission to a Hackney Primary School Nursery Class Nursery School

What happens if my child is not offered a place?

Criteria for offering full-time places (this includes children who already have a part-time place):

There will be limited number of places made available, and these will be allocated to the most vulnerable children and those in need. Assessments and evidence will be used to decide the level of need for each child and whether a full-time place should be offered. The evidence used for assessing need can be written evidence from a number of different professionals, records of a conversation between the school and appropriate professionals involved with the child's family and follow up from information on application forms.
