

**Home Learning at  
Woodberry Down**

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IEYC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed on paper or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet.
