

# Don't forget to read your reading book every week too!

- Are you able to write instructions about how to play your favourite game?
- What do you know about our host country, China. Can you find out about the country and write what you know?
- Are you able to write an explanation about how a Toy car moves?
- When we have read 'I Want My Hat Back' are you able to write a character description about the bear?

## English

Year 1 Home Learning is due to be completed and returned in your Purple Book by Monday 12th December 2016. Please remember that you should try to complete at least two pieces of Home Learning from the passport.

- Can you investigate what materials a toy car is made out of?
- Create a timeline of toys from China, starting with the oldest to the newest.
- Can you compare two toys; one from UK and one from China?
- Are you able to create your own optical illusion toy?

## IPC

- Design and make your own invented toy.
- Can you investigate what materials a toy car is made out of?

**Home Learning at Woodberry Down**

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least two of the activities but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by **Friday** of the following week.
