

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

- Create your very own poem about the human body! Can you include any rhyming words?
- You have made a new discovery about the human body. Write a newspaper report in the third person (they, he, she) using exciting language to engage the reader.
- Make a food diary which shows what you have eaten in a day.

English

- Create your own 3D model of the human body.
- Make a model of your skeleton using earbuds and playdough.
- Design a healthy eating poster.
- Make your own stethoscope.

Skills Tasks:

Year 2 Home Learning is due to be completed and returned in your Purple Book by Monday 27th March 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
