

Don't forget to read your **Home Reader Books** and practice your **Weekly spelling words** in time for your test.

• Can you describe how a circuit works?

ELECTRICITY?

• Can you create an acrostic poem for the word

your area?

• Can you write a news report about a lightning storm in

English

Year 2 Home Learning is due to be completed and returned in your Purple Book by Monday 22nd May 2017. Please remember that you should try to complete at least two pieces of Home Learning from the passport.

IPC

Our IPC Topic is called 'It's shocking' In Science we will be learning about electricity. Can you create a poster to help people stay safe around electrical equipment?

- Research your top 5 interesting facts about electricity!
- Can you make a model of a power station?
- Can you create a news report about a lightning storm in your area?
- Can you write a news report about a lightning storm in your area?

### Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least two of the activities but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by **Wednesday** of the following week.
