

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your

Imagine a giant, man-eating plant was found in Hackney. Write a newspaper report telling the local community about this finding and what it ate.

Do you know where the largest deserts are in the world? What about the highest mountains or the deepest oceans? Research the information and create a fact file about each habitat: deserts, oceans, mountains.

Do you know where your host country Jamaica is? Do you know what that country is like? Improve your knowledge by researching the country and write a travel brochure: advertising Jamaica as a holiday destination.

Do you know where the largest deserts are in the world? What about the highest mountains or the deepest oceans? Research the information and create a fact file about each habitat: deserts, oceans, mountains.

Knowledge Tasks:

Year 3 Home Learning is due to be completed and returned in your Purple Book by Monday 17th October 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Skills Tasks:

Are you able to design and make a three-dimensional habitat? You could choose from desert, mountain, pond, or deep sea. Make sure you include plants and animals that live there. Perhaps you would prefer to make a three-dimensional model of your favourite animal? The choice is yours.

Do you know what plants need to grow? Find out by buying some seeds from the garden centre and growing your own. Are you able to record your results with observational drawings, time-lapse photography or write diary entries?

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
