

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

Do you know what products are exported from the rainforests? Can you find out?

Do you know what the difference is between the tropical and temperate rainforests? Can you find out? Draw and complete a Venn diagram identifying similarities and differences.

Do you know what deforestation is? Could you find out? Create a persuasive poster telling people why they should save the rainforest.

Knowledge Tasks:

Design a picture book for younger children with the title 'Totally Tropical Rainforest'. Lots of different food products grow in the rainforest. Create a recipe book (you could even MAKE some food) using ingredients found in the rainforests. You must have lots of new vocabulary about the rainforest. Why not design and make a word-search, crossword or quiz that we could use in class.

Design and make a rainforest board game. Perhaps you could 'miss a turn' if you chop down a tree or 'earn 5 points' if you save an animal.

Skills Tasks:

Year 3 Home Learning is due to be completed and returned in your Purple Book by Monday 27th March 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
