

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

Do you know who works at the airport and what jobs they do? Can you find out?

- Do you know where the main airports are located in your host country, the United Kingdom? Can you create a map and record your findings? Do you notice any patterns?
- Do you know who designed and built the first aeroplane? Can you create a fact file?
- Do you know how air travel affects the environment? Can you find out the positive and negative effects and write an argument? Maybe you could create a presentation for the class.

Knowledge Tasks:

- Design and make your very own 3D model aeroplane.
- Make paper aeroplanes and test how far they travel. Can you test different materials? Which is most / least effective?
- Design and make a 3D model of an airport for the future. What would it look like?
- Design and make a piece of artwork about the word 'Flight' - take inspiration from things that move through the air. You can use any materials you like!

- Design an entertainment pack for children to use on a long-haul flight: games, puzzles, colouring activities

Skills Tasks:

Year 3 Home Learning is due to be completed and returned in your Purple Book by Tuesday 11th July 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
