

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

Imagine a brand new invention was found in Woodberry Down. Write a newspaper report telling the local community about this invention and what it does.

Do you know where your host country Turkey is? Do you know what that country is like? Improve your knowledge by researching the country and write a travel brochure: advertising Turkey as a holiday destination. Do you know some of the earliest inventions in the world? How have they been developed over time? Research the information and create a fact file about your favourite early and modern inventions.

Knowledge Tasks:

Year 3 Home Learning is due to be completed and returned in your Purple Book by Monday 17th October 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Skills Tasks:
Are you able to design and make your own invention that could be used somewhere in the house? You should consider using recycled materials in your household.
What is your favourite invention? Who is your favourite? Which product/piece of equipment do you use everyday? Imagine you are travelling 100 years into the future. Redesign and remake your favourite invention.
You have discovered that you have the tools to create a new vehicle that could potentially take you to your host country (Turkey) in 25 minutes. What would it look like? What tools will you use?

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
