Year 4 Home Learning is due to be completed and returned in your Purple Book by Monday 6th February 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
