

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

Lots of famous musicians have come from Jamaica! Can you research one and write a fact file about their life and music?

Do you know where your host country Jamaica is located? Can you find out a travel brochure or holiday blog about the country.

Do you know that some animals like bats use sound to help them "see"? Can you find out any other animals that do this and how it works?

Can you design and build your own musical instrument using recycled materials? Which materials work best? Will you build a string or percussion instrument?

Can you design and make own shadow puppet? Perhaps you can perform a show at home or at school?

Can you make a 3D model of the eye or ear? Use them to explain to your family how we hear or see.

Try creating your own body percussion song using claps, clicks and stomp to make the beats!

Year 4 Home Learning is due to be completed and returned in your Purple Book by Monday 22nd May 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Skills Tasks:

Write an "Amazing Milk!" poster giving interesting facts and information about milk.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
