

Don't forget to read your Accelerated Reader Books, practice your Weekly spelling words in time for your test and learn your times tables.

Do you know what a peninsula is? Write a letter explaining life in London and ask questions for them to reply to.

- Do you know what a peninsula is? Write a letter explaining life in London and ask questions for them to reply to.
- Do you know what a school day looks like in a different country? Do some research and compare and contrast it to your school day in London.
- Do you know where the highest populated countries are? Can you create a map to show where they are?
- Do you know what a school day looks like in a different country? Do some research and compare and contrast it to your school day in London.
- Do you know what a school day looks like in a different country? Do some research and compare and contrast it to your school day in London.

Knowledge Tasks:

- Design and make your very own 3D model classroom. What would be different to your design compared to your actual classroom?
- Think about your local high street. What's missing. Design your ideal high street layout by building the different buildings.
- Design and make a 3D model of a new form of transport. Where would it be used? Dessert? Ocean? Land? Write an explanation of how it works and why it would be ideal in a particular location.
- Design your own flag for a new country. What colours and symbols will you use and why?

Skills Tasks:

Year 3 Home Learning is due to be completed and returned in your Purple Book by Tuesday 11th July 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
