

Don't forget to read your Accelerated Reader Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

Write a diary entry from the point of view of a child effected by flooding in northern England.

- Write a non-chronological report about how our ancient ancestors recorded weather systems.
- Write a news report on Climate Change. Include scientific facts, illustrations and dialogue from family and friends.
- Write an acrostic poem about a Hurricane, Tsunami or Tornado.

English

Year 5 Home Learning is due to be completed and returned by Monday 6th February 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

IPC

- Construct a Weather Vane (have a look on the internet for ideas and designs)
- Make a poster with a detailed map of the world and its weather systems!
- Make a weather wheel.
- Design and construct an umbrella out of household items.
- Design and make a futuristic rain coat.

Homework at Woodberry Down

At the beginning of each half term, class teachers set the 'Homework Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your homework book or, if they are a model or project, they can be completed separately. These pieces of homework can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics homework in homework books. This will reflect on the work you have been completing in class. This homework should be completed in your homework book and returned for marking by Wednesday of the following week.
