

Don't forget to read your Accelerated Reader Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

Write an email or letter to your favourite author - what questions will you ask them?

- Write a descriptive poem about the season of Autumn and decorate it.
- Imagine and draw a picture of your own theme park. Create an advert that uses persuasive language to get people to visit it. You could write it, film it or record it.
- Create a biography of Roald Dahl - find out about his life, facts and important dates and decide how to display your work. You could create a poster, leaflet or something else!

English

- **Science:** Research and create a presentation for your class on different forces - you might want to look at gravity, centrifugal force and friction.
- **Art:** Create a poster for a theme park (it might be a real one or an imaginary one!).
- **Geography:** Make a map of your own theme park. What information can you include to help visitors find the different rides?
- **DT:** Design and create a model of your own fairground ride. Can you make it move?

IPC

Year 6 Home Learning is due to be completed and returned by Monday 24th October 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
