

Don't forget to read your Accelerated Reader Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

- Imagine you are one of the first archaeologists to find ancient human bones. Write a diary of your expedition and discovery.
- Research types of African food. Create a set of recipes containing instructions of how to make the different types of food.
- Find a video of animals that live in Africa. Write a voiceover narrating what is happening in the video. Bonus points if you can find a way of recording yourself!
- Pick an African country and create a non-chronological report about it.

English

- DT: Design and make a kit that an archaeologist would use to find fossils. What tools would they need?
- Science: What are the best crops to grow in Africa? Design and carry out your own experiment to find out.
- Art: Research the use of pattern in African fabrics. Use these patterns to create your own piece of art.
- Geography: Design and create your own map of Africa that shows which animals live in different countries. Be creative!

IPC

Year 6 Home Learning is due to be completed and returned by Wednesday 14th December 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Woodberry Down

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
