

## Communication

Nursery children will be learning new vocabulary to talk about their favourite dinosaurs. They will be using descriptive words in full sentences.

They will be using new words to express their ideas and thoughts about their work, knowledge and understanding of dinosaurs. They will be learning how to ask different questions and how to answer in full sentences.

## Understanding the World

Nursery children will be learning about dinosaurs and different types of habitats. They will explore fossils and express knowledge about different dinosaurs. They will be grouping them in herbivores and carnivores.

They will be using iPads to recreate dinosaur worlds, make dinosaur music and books.

## Woodberry Down Primary School

## Curriculum Information Spring 1

## Expressive Arts

The children will be able to express their creativity by using different colours and materials to put together pictures which represent their favourite dinosaur. They will be learning and singing new songs as well and playing a role in our new Dinosaur Den.

We will also be using different materials and learning about different textures.

## Say YES to Success

At home, ask your child about our new behaviour system and how it's helping them to be an even more successful learner.

## Nursery

## Dinosaur Detectives

## Literacy

The children in Nursery will be using their name cards and name boards to learn how to recognise their names and start copying letters.

They will be learning different sounds each week during our RWI sessions.

Every week we will have different stories to read, learn new vocabulary and talk about different dinosaurs.

The children will be making books about their favourite dinosaurs.

## Physical Development

Nursery children will be enjoying a variety of indoor and outdoor activities to support their physical development. They will be learning to become independent in getting ready for outdoor activities by putting their coats/hats/scarves/gloves on and taking them off at the end of the session.

The children will be encouraged to enjoy a variety of snacks and healthy meals.

Our PE day is Tuesday.

## Personal Development

Nursery children will be learning to share, take turns and look after each other as well as helping the other.

The children will be working together to complete their dinosaur projects accepting each others ideas, views and thoughts.

They will be sharing experiences with the others talking about their favourite dinosaurs.

## Mathematics

Nursery children will be working with numerals to identify the correct number of dinosaurs in a small and large group. They will be learning how to match numerals to quantities as well as representing numbers using fingers, pictures and marks. The children will be learning shape names and properties and how to use them appropriately for tasks.

They will also be learning positional language to describe what they see around themselves.

How can you help me at home?

Read me a story every evening.

Help me write my name and learn my numbers.

Bring my book bag to school every Wednesday so I can get a new book.
