MAT

As a geographer, re-search the different trees that grow in the UK and make a poster to show them. 

As a scientist, draw and label a picture of a habitat and all the animals that live there. 

As a scientist, investigate to see if you can grow the tallest plant in Year 2. 

As a designer, create your own shoebox habitat, e.g. a forest, a desert, the artic, the ocean. 

***The Earth - Our Home***

As an artist, draw or paint a your favourite plant or flower. Try to include labels. 

As a global learner, make a poster describing the importance of rainforests. 

As a writer, write a description of a habitat: e.g. a forest, a desert, the artic, the ocean.
