

Spring Term 1 2018

Year 4

HOME LEARNING MAKER MAT

As a geographer,
locate different
restaurants in your
neighbourhood and
create a map.

As a historian,
research what food
and ingredients
were popular in
the time of the
Aztecs.

As a scientist,
investigate to see
if you can grow
the tallest tomato
plant in Year 4.

As a designer,
create your own
tasty jam. Create
the recipe and the
packaging.

As an artist, draw
or paint an
eye-catching logo
for your restaurant.

As a global
learner, campaign
about using locally
produced food as
opposed to import-
ing from overseas.

As a writer,
report about the
opening of your
new restaurant for
the local paper.
