

Spring Term 1 2018

Year 5

HOME

LEARNING

MAKER

MAT

As a geographer, locate different habitats around the world.

As a historian, research how early humans survived.

As a scientist, investigate to see if you can grow the tallest plant in Year 5.

As a designer, construct a shelter to protect you from an Arctic climate.

Roots, Shoots, Fruits

As an artist, draw or paint a new species of plant or animal.

As a global learner, campaign about saving the rainforests.

As a writer, report about a giant vegetable grown in Hackney.
