

Spring Term 1 2018

Year 6

HOME

LEARNING

MAKER

MAT

As a sociologist, create a poster to show how bullying affects others.

As a musician, research how we can control our feelings and emotions through music.

As a scientist, research if feelings come from the human heart or the brain.

As a designer, create a product to make us feel relaxed.

Express Yourself!

As an artist, create a painting that shows your feelings about your IPC home and host county.

As a global learner, explain in a non-chronological report how extreme feelings can lead to a war between countries.

As a writer, produce a diary entry that explains what makes you happy or unhappy.
