Friday 31<sup>st</sup> March 2017

Dear Parents and Carers,

Re: End of Spring Term

Another term has flown by and already we have reached the Easter break. This term we have seen so many exciting things happening at Woodberry Down with our children being fortunate enough to have taken part in so many activities, projects and events.

Like all New Wave Schools, our pupils are incredibly lucky to have had so many inspiring and innovative activities and lessons. As well as their everyday reading, writing and mathematics lessons, the children have taken part in extra sports activities, school outings and visits to museums, cinemas, theatres and parks. They have also had visits from zoologists, the army, technology entrepreneurs, food scientists and nutritionists, ecology and environmental scientists, actors, film directors, football coaches and physicists.

As well as being fortunate enough to take part in weekly music lessons, Spanish lessons, termly art, swimming and tennis sessions, we have seen the completion of the new school canteen and our new Year 2 complex. When we return from the break, the building company will have left the school site and our playground will have returned to normal again.

I do hope that you have followed some of our stories through Twitter, the new school website and the weekly bulletin. We want you to share in as many of our experiences as possible and we try very hard to share these with you. Please remember that the next edition of the school bulletin will be e-published only. We will post the newsletter on our Twitter page and will email it to those who have provided us with their email addresses.

I would like to thank all of our amazing staff, who have shown such commitment and dedication to the school this term. The success of the school is a true testament to the enthusiasm and devotion of all of our staff.

Have a fantastic and well deserved break and we all look forward to seeing you at **8.55am** on **Wednesday 19<sup>th</sup> April 2017** for the final and most exciting term of the school year.

Best wishes,

Derek Hewie  
Headteacher
