Non-Uniform Fundraising Day

Dear Parent/Carer,

On Wednesday February 8th, Woodberry Down will be holding a non-uniform day to raise money for those less fortunate than us. We, the school council, have voted to donate the funds raised to two different charities: WaterAid, and Shelter. If your child wishes to wear their non-uniform clothes for the day, they will need to bring **£1** to donate to the charity of their choice.

Your child can choose to support either of these two charities on the day. If they would like to support WaterAid, they will need to wear a **blue** top to show their support. If they would like to support Shelter, they will need to wear a **white** top. Each child will donate their **£1** to whichever charity they would like to support, and we will announce the final amount raised for each charity in our end of term assembly. Our total fundraising target for the day is £400!

Which one will you choose?

WaterAid

WaterAid helps to provide clean drinking water to people around the world.

Shelter

Shelter provides safe accommodation and advice to homeless people in the UK.

We have decided to support these charities because we believe that they are both worthy causes, and we believe that pupils at Woodberry Down should have a choice in which charity they donate to. If you have any questions, please contact Mr Lee at the school office.

Yours respectfully,

The Woodberry Down School Council
