Dear Parents and Carers

Summer Term

I would like to take this opportunity to welcome you back to school after what I hope was a restful and enjoyable break. These first few days have been a great start to the new term with the children settling quickly into the daily routine.

Although short, this term is set to be filled with lots of excitement and hard work. We start the fun with a special **'New Wave Choir Concert'** on **Monday 24th April**. The choirs from both Grazebrook and Shacklewell will be joining us here at Woodberry Down to perform at **2.30pm** in our **top hall**. **Tickets for this event are available from the main reception desk.**

Parents of Year 6 pupils will be aware that the children will be sitting their **SATs exams** during the week commencing **Monday 8th May**. The children have worked very hard to prepare for the tests and we know that they will do their absolute best each day.

I would like to remind you that the cost of school meals for **Nursery and KS2** children rose to **£2.25** from Tuesday 17th April. This will be reflected in your ParentPay accounts when you next pay online.

Please note that from Friday 28th April, we will no longer send home any paper copies of the school newsletter. During our recent Parents Evening, we asked parents and carers to inform us of any changes to their email addresses. Next week we will send the newsletter by email, post it on our Twitter page and display copies in the noticeboards in the playgrounds. You can follow us on **Twitter** at **@woodberrydownN4** to see all of our news and events.

I am sure that you will be as delighted as we are to see that we now have the full use of the school playground with the builders having completed their works here at Woodberry Down. The Year 2 children are now using their new classrooms on the ground floor. **Year 2 pupils start the day by lining up in the main playground and should be collected from their new classrooms at 3.30pm.** Parents can reach the classrooms by passing through the Reception outdoor area or by using the ramp at the far end of the school playground. Parents and carers of Nursery children can now drop off and collect the children from the Nursery by passing through the main playground and using the ramp at the far end of the new dining hall.
