Monday 10<sup>th</sup> September 2018,

Dear parents and carers,

We are excited to let you know that as part of Year 4&5 rolling out the Mathematics Mastery programme we are trialling the Year 4 & 5 homework book. This resource, provided by Mathematics Mastery, has been developed to support Maths learning at home and complements the work completed in class. As you will see, the 10 pieces of weekly homework for the Autumn term are presented with one page of parental guidance and one page of questions for your child to complete. Each piece of homework should take your child no longer than 30 minutes.

If you have any questions about the homework book please speak to your child's class teacher.

Kind regards,

**Mr Moudiotis**

**Assistant Headteacher**

**Mathematics Leader**
