As individuals on the Federation Governing Body

Role & Responsibilities

- ❖ We understand the purpose of the Federation governing body and the role of the Executive Head
- ❖ We accept that we have no legal authority to act individually, except when the body has given us delegated authority to do so, and therefore we will only speak on behalf of the governing body when we have been specifically authorised to do so.
- ❖ We accept collective responsibility for all decisions made by the body or its delegated agents. This means that we will not speak against majority decisions outside the governing body meeting.
- ❖ We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- ❖ We will encourage open governance and will act appropriately.

- ❖ We will consider carefully how our decisions may affect the community and other schools
- ❖ We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our federation. Our actions within the federation and the local community will reflect this.
- ❖ In making or responding to criticism or complaints we will follow the procedures established by the governing body.
- ❖ We will actively support and challenge the executive head
- ❖ We will accept and respect the difference in roles between the body and staff, ensuring that we work collectively for the benefit of the federation
- ❖ We will respect the role of the executive head and their responsibility for the day to day management of the organisation and avoid any actions that might undermine such arrangements;
- ❖ We agree to adhere to the federation's rules and policies and the procedures of the governing body as set out by the relevant governing documents and law
- ❖ When formally speaking or writing in our governing role we will ensure our comments reflect current organisational policy even if they might be different to our personal views;
- ❖ when communicating in our private capacity (including on social media) we will be mindful of and strive to uphold the reputation of the organisation

Commitment

- ❖ We acknowledge that accepting office as a governor involves the commitment of significant amounts of time and energy.
- ❖ We will each involve ourselves actively in the work of the governing body, and accept our fair share of responsibilities, including service on committees or working groups.
- ❖ We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
- ❖ We will get to know the federation well and respond to opportunities to involve ourselves in federation activities.
- ❖ We will visit the federation with all visits arranged in advance with the executive headteacher and undertaken within the framework established by the governing body.
- ❖ When visiting the federation in a personal capacity (i.e. as a parent or carer), we will maintain our underlying responsibility as a governor
- ❖ We will consider seriously our individual and collective needs for induction, training and development, and will undertake relevant training.
- ❖ We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing body, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing us will be published on the federation's website.
- ❖ In the interests of transparency we accept that information relating to governors will be collected and logged on the DfE's national database of governors (Edubase).

Relationships

- ❖ We will strive to work as a team in which constructive working relationships are actively promoted.
- ❖ We will express views openly, courteously and respectfully in all our communications with other governors, the clerk to the governing body and federation staff both in and outside of meetings.
- ❖ We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times.
- ❖ We are prepared to answer queries from other members in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- ❖ We will seek to develop effective working relationships with the executive headteacher, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- ❖ We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside federation.
- ❖ We will exercise the greatest prudence at all times when discussions regarding federation business arise outside a governing body meeting.
- ❖ We will not reveal the details of any governing body vote.
- ❖ We will ensure all confidential papers are held and disposed of appropriately.

Conflicts of interest

- ❖ We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the governing body's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time.
- ❖ We accept that the Register of Business Interests will be published on the school's website.
- ❖ We will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- ❖ We will act in the best interests of the federation as a whole and not as a representative of any group, even if elected to the governing body.

Ceasing to be a governor

- ❖ We understand that the requirements relating to confidentiality will continue to apply after a governor leaves office.

Breach of this code of conduct

- ❖ If we believe this code has been breached, we will raise this issue with the chair and the chair will investigate; the governing body will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.

- ❖ Should it be the chair that we believe has breached this code, another governing body member, such as the vice chair will investigate.

The Seven Principles of Public Life

Selflessness - Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example.
