

new wave federation PE and Sports Funding

Woodberry Down Primary School
September 2019

School	Woodberry Down Community Primary School	Headteacher	Mr Derek Hewie	Date	September 2019
<p>The Department for Education are spending over £450 million on improving physical education and sport in primary schools. The funding was first issued for the academic year 2013/14. The funding is allocated directly to primary schools.</p> <p>New Wave Federation Schools believe that physical education is an essential part of a child's educational development. We aim to develop a balanced program offering a variety of activities to enhance skills in physical education. Positive participation in physical education will enable children to build self-esteem, teamwork and positive attitudes in P.E.</p> <p>We aim to:</p> <ul style="list-style-type: none"> • Engage pupils in regular physical activity • Raise the profile of sports and physical education • Develop confidence, skills and knowledge • Be proud of achievements • Promote fair play and respect • Educate children to improve health and wellbeing • Provide quality opportunities for children outside of school time • Use technology to redefine PE lessons 					

Support for review and reflection - considering the five key indicators from DfE, what development needs are priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Increased participation in Hackney and London inter-school championships such as volleyball and football including a wide range of extra-curricular activities for pupils across the school including: The Hackney Half, Personal Best and Bike Around the Borough • Improved accessibility for children with disabilities and SEND • The use of Playground Friends as sporting leaders and role-models for others across the school • The development of fundamental movement skills with opportunities for competitive and cooperative physical activity for children during their Nursery and Reception years • Most children involved in adult led, structured sporting activities each play and lunch time including football, basketball, table tennis, king ball and volleyball • Greater number of children involved in after school sporting activities and clubs with a broader remit, such as ballet and tennis 	<ul style="list-style-type: none"> • Opportunities for staff professional development and fitness • Monitoring of sports and physical education lessons • Further develop pupil voice to identify barriers to participation for reluctant children and to act accordingly to reduce those barriers. • Continue to increase the breadth of competitive sporting opportunities offered to children including Federation sports days. • Further widen the range of sporting activities on offer to the pupils of Woodberry Down • Continue to improve links with other schools and sporting bodies

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	79%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	68%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	52%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the five key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2019/20		Total fund allocated: £20,009	Date Updated: September 2019	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity				Percentage of total allocation:
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Further develop the capacity of sports coaches to deepen the breadth of sporting activities provided for all children, but especially KS1, during lunchtime play Develop opportunities for sports coaches to support teachers and additional adults through joint planning, observations and coaching and mentoring Sporting role models and sports ambassadors to provide a wider range of physical activities at lunch time to develop a passion for sport and exercise (gymnastics, dance, yoga) Ensure physical exercise and education is child lead by providing opportunities for school council to suggest games and equipment to use during lessons and during lunch time play Greater emphasis on early intervention in EYFS to develop positive attitudes to sport, health and exercise 	<ul style="list-style-type: none"> Develop and train children as playground friends and sporting role models to further encourage their peers to participate in a range of physical activities. Lead sport coaches to develop a high quality programme of CPD for sports coaches and staff to ensure high-quality play activities are accessible to all children every lunch-time and play-time and during PE lessons which are taught by teachers and additional adults Ensure larger quantity of pupil voice to inform purchasing of new equipment and playground resources Develop a Playground Friend rota for Reception and KS1 for a wider range of games to be played which a pupil led Coaches to identify and target children who are reluctant to participate in physical activity during EYFS 	£16,000 lunchtime sports coach provision £1500 Equipment and training	<ul style="list-style-type: none"> All staff are trained in how to engage children in physical activities during morning and lunchtime play A wide range of sporting activities are offered at playtimes with specialist activities for Reception and Key Stage 1 children, to ensure that all children are active for more than 30 minutes a day Pupil voice shows that the majority of children partake in team games such as football, table tennis, basketball and king ball, led by trained support staff and other pupils during playtime and lunchtime play Sports coaches are strong role models for all children modelling the impact of regular physical activity for the children 	<ul style="list-style-type: none"> Further develop the role of playground friends through training and resourcing to encourage participation in a wider range of physical activities for EYFS and KS1 children at break time Gain further pupil opinion, through surveys and School Council on what games and equipment will increase motivation and participation Increase % of premium spending on equipment including

	<ul style="list-style-type: none"> Specific Reception focused games to encourage physical play-time activity from an early age 			
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				Percentage of total allocation: 0%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Upcoming sports events to be discussed in school assemblies to generate excitement around future sporting competitions Display introducing sports role model - and a results board to share the outcomes of competitive sports matches and celebrate sporting achievements Increase parental engagement and develop a positive attitude to physical education and wellbeing Use of iPad to further deepen understanding of physical performance and raise the profile of PE within the school and local community Class teachers to continue to recognise sporting achievement during the weekly celebration assembly, linked to the 'Yes to Success' value of the week e.g. resilience to raise the profile of PE linked to lifelong learning. Celebrations communicated via school's newsletter, website and Twitter account to raise profile. 	<ul style="list-style-type: none"> Dedicated section in assembly to promote upcoming sporting events and to celebrate sporting achievements Tweets, photos on newsletter and website of all sporting events Sports coaches to design and run a PE coffee morning to develop parents understanding of the benefits of PE in our curriculum. Sports coaches to invite parents in to participate in a Woodberry Down PE lesson with their children Develop sports media team to record, commentate on and report on school sporting events Use of technology in year 5 and 6 to analyse technique and principles of specific sports 	None, no additional costs are incurred	<ul style="list-style-type: none"> Parental feedback highlights an understanding of the importance of the PE curriculum Pupil and parent voice indicate awareness of sporting achievements Yoga sessions well received and pupils using techniques outside of session to promote well-being and therefore focus. Pupils use iPad to record competitive school fixtures and PE lessons Pupils acquire an in depth understanding of technique and sport specific tactics 	<ul style="list-style-type: none"> Add specific section into parent survey on sports provision and impact Playground Friends and sports ambassadors to promote, report and share school achievements Sports media team to develop content to share information about school sports events on the school twitter account and during assemblies

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				5%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> ● Lead sports coach to develop a skills audit to identify teachers with a secure understanding of the PE curriculum and teachers who will require support ● Lead sports coach to design and run staff CPD for staff to upskill teaching staff ● Greater emphasis on PE coaches supporting during PE lessons taught by teachers and HLTAs through team teaching ● Sports coaches to strategically plan where to support based on the results from the skills audit and prior knowledge of teaching experience throughout the school ● Lead coach to attend Teaching School cluster meetings to share good practice, further develop action plans and ensure strong provision for all pupils in the wider school community 	<ul style="list-style-type: none"> ● Sports coaches to design a skills audit to gain a baseline understanding of teachers' knowledge of the PE curriculum ● Lead sports coach to set dates and agenda for cluster meetings ● Federation coaches to provide further support and team teaching for staff ● Lead sports coach to design a monitoring and observation cycle for PE 	<p>£500 Coach professional development £500 cover allocation to allow for team teaching opportunities.</p>	<ul style="list-style-type: none"> ● All staff deliver high quality PE lessons which challenge children of different levels and encourage the development of whole school 'Yes to Success' values: resilience, focus, and enquiry. ● The inclusion of digital technology in PE lessons to support children to record and compare performances and develop a better understanding of sport specific techniques ● Teaching assistants, teachers and HLTAs have Better understanding of how to support and encourage pupils to engage in physical activity during morning and afternoon play 	<ul style="list-style-type: none"> ● Coaching and mentoring workshops for sports coaches to develop their ability to support staff ● Lead Sports coach to identify any staff who need further support and provide appropriate support – with planning, through team teaching, via coaching ● Further professional learning opportunities for staff who request it e.g. peer observations ● Develop PE subject leader networks with colleagues at other schools to encourage the sharing of good practice and strengthen

				opportunities for collaborative and competitive sporting activities and events.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 0%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> ● Offer a wider range of activities both within and outside the curriculum in order to get more pupils involved such as: swimming, boxing, yoga, dance, martial arts ● Track and monitor participation in sports clubs and events building in a termly review and a list of leadership actions for the upcoming term ● Create a Sports Science within the year 5 and 6 To deepen the sport and physical exercise by exploring sports biomechanics, physiology and performance analysis ● Introduce a wider range of wellbeing and physical activities at lunchtime such as meditation and yoga areas ● Develop links with the West Reservoir to introduce a range of different water sports opportunities for pupils ● Increase participation of pupils with identified SEND in physical activity by ensuring coaches are aware of needs and how to adapt lessons to provide 	<ul style="list-style-type: none"> ● Audit of PE equipment to find out what resources we have and need at school ● Use pupil voice to identify interest in a range of different afterschool activities. ● Lead sports coaches and SLT to monitor delivery of lunchtime and afterschool clubs ● Through Young Hackney and other local groups, maximise the number of competitions, events and festivals entered ● Create a database of all events entered and all pupils attended and target provision at those who may not have participated ● Continue to provide yoga in EYFS and KS1 to promote mindfulness and well-being ● Continue to make use of local organisations who offer free high quality coaching e.g. the Year 5 tennis programme linked to Finsbury Park 	None, no additional costs are incurred as funding is secured locally	<ul style="list-style-type: none"> ● Pupil and parent voice shows that the children enjoy participating in a wide range of activities during playtime and afterschool ● Woodberry Down will continue to participate in the Hackney Half, Bike Around the Borough and other Hackney lead sporting events. ● Year 1 & Reception Yoga sessions ● SEND sports tournament and participation and the Hackney wide Personal Best initiative will continue to reduce barriers to sport. ● enabled the children to access a wide variety of sports and many are now taking this further entering ● A higher number of children across the whole participating in physical activities after school. 	<ul style="list-style-type: none"> ● Ensure that a broad range of activities are offered by encouraging pupils and parents to suggest activities and afterschool clubs ● Develop links with local sporting clubs and bodies e.g. athletics associations linked to Finsbury Park ● Develop after school provision to include a wider range of activities such as (dance, orienteering, boxing)

<p>the children will full participation</p> <ul style="list-style-type: none"> Encourage pupils to improve their skills, times, distances etc so those pupils who are not competitive or engaging in physical activities have greater motivation to challenge themselves. Introduce pupils to the weekly mile in the KS2 playground (1600m in the KS2 playground) 				
<p>Key indicator 5: Increased participation in competitive sport</p>				<p>Percentage of total allocation:</p>
				<p>16%</p>
<p>School focus with clarity on intended impact on pupils:</p> <ul style="list-style-type: none"> Inter- federation competitions for elite athletes in all three schools to compete at a higher standard Enroll in Young Hackney ‘festivals’ which require no prior experience to give children a taster for competitive sports. The school’s Physical Education Subject Leader also attended specialist training to develop fine motor skills of children with additional needs ensuring all children can access competitive sports. Application to Premier League Primary Stars has been successful. Leading to competitive teams in school now having a full kit to participate in. Expand range of activities available as extra-curricular clubs to encourage pupils to more involved. Signpost families to opportunities outside of school to engage in further activities. 	<p>Actions to achieve:</p> <ul style="list-style-type: none"> Train support staff and TAs to drive the federation minibus to ensure pupils can attend a wide range of competitive competition Enter local competitions and events e.g. Bike Around the Borough, Hackney Half Marathon Develop a close partnership with local sports clubs to ensure pupils have access to competitive activities outside of school hours Publication through school’s communication of additional physical activities available e.g. Forest Schools and Summer camps 	<p>Funding allocated:</p> <p>£6,000 for ASC for competitive sports with coaches</p>	<p>Evidence and impact:</p> <ul style="list-style-type: none"> Large range of competitive sports events booked (John Larter Cup, Clissold Cup, New Wave Sports Day, Grass Tracks Cycling, Orienteering, Road to Rio (Heptathlon), Baseball KS2, Borough Football KS2, Swimming Gala KS2, Athletics Championships, Kwik Cricket, Cross country Running, Bike Around The Borough, Table Tennis) Parental and pupil voice are very positive about the range of physical activities during after school clubs with all club positions filled. 	<p>Sustainability and suggested next steps:</p> <ul style="list-style-type: none"> Sports coach to liaise with other schools and build network and cluster opportunities Reflect for Sept 18 on demand and waiting lists for physical activity ASC and adjust provision as needed. Further broaden pupils’ range of opportunities to include even more activities not covered within the curriculum especially adventurous activities.
