Year 6 SATs Parent Information Sessions

Dear Year 6 Families,

We hope that you have been supporting your child with their learning at this crucial time in their primary education. The children have been working very hard these last few months. Their maturity and dedication to their studies is exemplary, we are very proud of them. We would like to invite you to attend an important parent information session to gain an understanding of the Year 6 SATs tests which will take place in May 2020.

The session will take place on **Tuesday 17th March at 3:30pm**. It is a great opportunity for you to find out all about the SATs tests your child will be sitting in May and how you can support them to do their best. This will be the final session before the children take the tests therefore we highly advise you to attend the meeting.

Kind regards,

Andrew Wands

Assistant Headteacher
